

AAHAA's

July 29<sup>th</sup>, 2020

On Friday, July 24<sup>th</sup>, AAHAA (Antioch Area Healthcare Accessibility Alliance) was proud to partner with the Village of Fox Lake, Grant Community High School, The Northern Illinois Food Bank, and Grant Township to distribute food to nearly **500 families!**

Everyone is struggling these days – food was distributed with no questions asked.

We are looking forward to another Food Distribution in Grant Township sometime in late August or early September, 2020.

Always keep in mind that AAHAA is here to help. We have a full time Network Nurse™ who is able to help you with your healthcare concerns, and a Certified Application Counselor who can help you with rides to medical appointments, help signing up for Medicaid, Medicare, the Affordable Care Act, GAP Insurance and more.

Reach out to us at (847)395-2809 ext. 19 or 25 for help.

We are a non-profit agency - our services are free.
