They would like to get a station 4 East of RR tracks out by Industrial Park. They will be holding informational meetings at a later date.

Assessor- Deputy Perry – Blue sheets are out. File Appeals by Oct. 7, 2019. Look for Fair Cash Value on Blue Sheets. If you don't think you can sell your house for that amount go on line to file appeal.

Highway Commissioner- Peter Baker to black top Miller Road and Lotus Woods/Spring Grove. Hoping to finish Edwards Road the next 3 weeks, if weather permits.

Old Business- Senior Committee- Trustee Davis – None

Grants – Trustee Turner looked over about 5 grants, but none applied to us.

Transportation- Trustee Grant- Supervisor Shaughnessy brought up the AAHAA article in the August 14, 2019 of the Hi-Liter. Peter Grant sits on the AAHAA Board. Supervisor Shaughnessy told Trustee Grant to find out who talked to Gail Peckler-Dziki of the Hi-Liter. Trustee Grant needs to get the misinformation fixed. The Township van is in the Township parking lot waiting for use. It was bought for the use of AAHAA. Since January of 2019 the Township has spent \$24.60 a ride for so called free medical rides.

Each Trustee received a Tri-Township Transit Summary Report. The dates includes December 2018-July 2019.

Our van was used 40 times (round trip). Pace counts rides to destination one ride, and the return ride is counted as another, 80 trips.

Trustee Grant mentioned AAHAA is not a business. Trustee Grant said, "Antioch Township is not a business, and we do things that businesses would never do." Trustee Davis contradicted the statement. Trustee Davis said the Township is a business, AAHAA is a business and Home Owners Associations are businesses. They each take money in and disburse money. Each of them pays bills. Some of them have employees that they pay.

Pace buses only hold 1 wheel chair patient at a time. The van holds no wheel chair patients and is inconvenient to get to third row bench seat.

Parks- Trustee Shepard- Gewalt Hamilton was out looking at Osmond Park. Where the rain water was pooling, it is going back to grass.

Parks- Supervisor Shaughnessy – Disc Golf- Approximately 14 baskets need fixing, new chain etcetera. Baskets on the North East part of property will be removed for a short period of time for landscapers. They will be put back in a new design. Chuck Kennedy will be out to look things over too.
